 /k-rokitak

Junior Project Manager / Business Analyst with postgraduate education and **over 2 years of experience** in e-commerce operations. I combine proficiency in sales platform service processes with an analytical approach to problem-solving. As an ambitious person who adapts quickly to new challenges, **I efficiently enter new technological and process environments**. My goal is to support the team in translating business needs into clear requirements and ensuring the optimization of daily operations.

PROFESSIONAL EXPERIENCE

Sales Platform Specialist
Morele.net

Kraków
03.2025 – present

- ◆ Daily cooperation with **5-7 external partners** aimed at efficiently resolving logistics problems and maintaining supply chain continuity.
- ◆ Comprehensive sales support for **9 European markets** (including PL, FR, NL, BE, GB, ES, IT, DE, SE), taking into account the specifics of individual sales platforms.
- ◆ Monitoring of ticket resolution timeliness, with a focus on maintaining **KPI metrics at the required level**.
- ◆ Process optimization and quality control, including workflow mapping and identification of logic gaps, which led to the automation of the order cancellation process (**recovering approx. 20 man-hours per month for the team**).
- ◆ **Root Cause Analysis** of systemic errors, aimed at implementing permanent solutions.
- ◆ Handling sales and after-sales processes, including direct communication with clients in English.

Customer Service Specialist
Morele.net

Kraków
07.2024 - 03.2025

- ◆ Management of the full ticket cycle (internal and external), requiring efficient communication between departments and task prioritization skills.
- ◆ Coordination of logistics and financial processes, including ongoing handling of changes in orders, invoices, and payments.
- ◆ Analysis and reporting of complaints, translating into resolving client issues in accordance with company policy.
- ◆ Advising on company offers and policy, maintaining high standards of professional communication via phone, chat, and e-mail.

Senior Croupier
HIT Casino

Kraków
09.2020 - 05.2024

- ◆ Supervision of operational workflow and coordination of a 3-5 person team in a dynamic environment.
- ◆ Effective management of priorities under conditions of high time pressure and the necessity of making quick, accurate decisions.
- ◆ Professional service for highly demanding clients.
- ◆ Multitasking and high divided attention.
